

Newsletter | Edition 3 | January 2021

This is the third newsletter of the [World Congress of the Tissue Engineering and Regenerative Medicine International Society \(TERMIS 2021\)](#) which will take place from 15-19 November 2021 in Maastricht (The Netherlands).

With this newsletter we would like to inform you about the progress of the TERMIS 2021 World Congress.

You can read more about the congress here: www.termis.org/wc2021.

Happy new year! Best wishes for 2021!

The entire TERMIS 2021 World Congress organisation wishes you a happy and healthy 2021. We are looking forward to work together again this year and hope to see you all in November in Maastricht.

Final days to submit your abstract. Do not miss this opportunity!

The abstract submission deadline is approaching quickly. Your input on the program is very important to us and therefore we would like to remind you to **submit your abstract** for the TERMIS 2021 World Congress. Please note that if you have already submitted an abstract, you will also be able to make amendments to your abstract until the deadline.

Submit abstracts [here](#)
Detailed instructions can be found [here](#)
Final submission Deadline: 31 January 2021

Confirmed Plenary Speaker

Noriyuki Tsumaki is currently Professor at the Center for iPS Cell Research and Application (CiRA), Kyoto University, Japan, where he researches cartilage biology pathology, and regeneration using cell reprogramming technologies. He earned his M.D. from Osaka University, Japan, and joined the Department of Orthopaedic Surgery there in 1989. He completed his Ph.D. also at Osaka University in 1996 and soon after joined Yoshi Yamada's laboratory at the National Institute of Dental Research, N.I.H., U.S.A., as a visiting fellow. He returned to Osaka University as Assistant Professor in 1998 and was promoted to Associate Professor at the Department of Bone and Cartilage Biology in 2007. Noriyuki joined CiRA as Professor in 2011.
